The doTERRA ATHLETE'S KIT

These statements have not been evaluated by the FDA. This product is not intended to diagnose, cure, or prevent disease. Individual body chemistry will affect the results of each oil. Certified pure therapeutic grade essential oils are very potent. Do not use CP® essential oils past your own understanding. Work with your Wellness Advocate closely until properly educated and confident with your ability to safely use essential oils.

* The doTERRA business opportunity is robust and growing. While the majority of Wellness Advocates are focused on the use of essential oils for the benefit of their family and friends, for those Wellness Advocates that desire to focus on the building of "for profit" business by working full time in achieving the leadership ranks, there is a significant business opportunity as noted above. Of course, each Wellness Advocate's results will depend on the time and effort they put into building their own doTerra business.

a marvelous look at

TITTY FUCKING

We men like to fuck a nice warm pussy, a tight little ass, a deep sucking mouth and... a nice pair of firm, plump boobs. Not every woman can do this, but those that can, wowie!

For the perfect titty fuck, start with two large breasts, two hands to squeeze them, one hard cock that fits nicely in between, and finally, a mouth willing to stretch down and give it a lick or suck, and if done right, a swallow.

a marvelous look at titty fucks

"I like it when my guy fucks between my boobs. It's actually fun for the best of us because I can watch his cock piston in and out of my boobs. I can also adjust the pressure on his cock."

"When my last boyfriend told me he wanted to fuck my boobs, I laughed and asked how he was going to do that? I had never heard of that before. Granted, I was not that experienced at the time but I told him to go ahead. First he used his hands to hold my boobs together but that was awkward, so I did it. I squeezed my boobs together and watched him go at it. It was fun. Nothing special for me but he liked it."

a marvelous look at tit ty fucks

"I have a rather long cock and sometimes it's just too long for some of my partners. It's too long for some of my babe's mouths and even their pussies. If I can get it into their asses, then it's too long there too.

But give me a well endowed lady with D-sized boobs and I'll fuck them all night long. What I like to do is get them boobies warmed up with some baby oil and settle in with my hard on and start pumping away. The nice thing about my long cock titty fucking is I can reach her mouth and she can take my money shot at the end."

BOOBS MAKE ME HORNY HOW ABOUT YOU?

It was two years ago when I took a corporate position with a large interstate banking institution. When I first started was shown the ropes by Nelly, the only female agent in our group and eventually we became very close friends. I'm 28 years old, with a decent body, single and am an financial analyst for this company. Her husband works for the same company but way across town and was transferred to Miami for a couple years. They also transferred Nelly along with him so they could remain together. Rista, their daughter recently turned twenty-one and is in her senior year.

She wanted to stay at college to finish instead of going to Miami. I knew them all pretty

well since I spent a lot of after hours at their house being tutored by Nelly when I got the job. From what I understand, Rista begged her mom if she could stay with me for the couple years to finish school. We all talked it over to let Rista finish college with me and as soon as summer came, she'd join them in Miami. Agreed.

It's April now and Rista has less than a couple months left with me, and she's been a great delight. Always pleasant and mindful. We only had a few spats, mostly about her curfews and boys. Last Christmas her parents came into town to celebrate the holidays and Rista's 21st birthday. So if you haven't guessed by now, I'm very attracted to Rista

Yes, I have a fascination with boobs. I love the shape, look and feel of them. Especially on another woman.

but have kept our relationship proper, but the thought of this beautiful creature slipping away causes me to lose sleep at night. When I was in college I had a long affair with my roommate and I learned to really love other women's breasts. I would suck on my roommate's for hours if she would let me, which she did at least once a week and I have really missed sucking at a hot breast since my college days. Now I have seen Rista naked twice, once when she was changing in her room to go out for dinner and the second time this past summer when we were changing again to go to

the beach. Rista has the most beautiful boobs I've ever seen. She's a thirty-four D, perfectly shaped and symmetrical areolas and nipples. I brought myself to orgasm thinking about her body and sucking on her magnificent boobs. I have not made any advances towards her while she was staying with me and I don't think she has any idea that I like women. We discussed all sorts of things in our time together including her college studies, her relationship with her parents, sports (she's a great football fan), and even sex among the sexes. She's told me of college guys she's been with and her infatuation with a female economics professor.

It's now the first weekend of spring break and Rista will be out of school for a week. The weather is beautiful outside and we had planned a trip to the beach for the weekend. I had booked a nice hotel at the shore with two queen beds so we only needed one room. I drove and by noon we were at the hotel and in our room. I was standing by the window admiring the ocean view and Rista excused herself to the bathroom to freshen up after the trip. She comes out singing and in her birthday suit.

I turned around and in mock shock my mouth hit the floor. I couldn't believe what I was seeing and couldn't help but stare at her breasts. She glides over to me and looks out the window, too. After a moment and some oohs and aahs, she

turned to me and put her finger under my chin and lifted my face to look into her eyes. She told me she had an infatuation with me that she wanted to fulfill and that's why she wanted to do spring break with me. She

leans over kissing each one in turn and I wallowed in the sensations I was feeling.

She pulled my shorts and panty down and I stepped out of them. There we both

took my hand and placed it on her left breast. This isn't a hotel room, I thought, it's Nirvana. I raised my other hand and was now cupping and massaging her beautiful breasts. She started unbuttoning my blouse and found my braless boobs with nipples erect just waiting for her. She pushed the blouse back on my shoulders and

stood, totally naked holding each other, breast to breast, and she told me to show her how much I loved her boobs and pushed my head into her chest. As I was suckling on her, she was playing with my ass and stroking my hair. Her nipple had grown to at least half an inch long and I would do anything she wanted just to

suck her breasts. She backed slowly away from the window so I wouldn't lose contact with her boob and over to the bed and laid on it with me on top of her. She whispered that she had wanted me ever since she moved in and couldn't control herself anymore. Hearing her say that, I came all over her pussy, making her squeal with delight. Then she told me to suck the other one as it was getting jealous and after I switched she told me that since she owned me now, I could suck her tits and pussy anytime I wanted.

She squealed again when I came on her. She picked my head up and told me that her pussy needed some attention now, pushing me down to her pussy. I got between her legs and her pussy smelled so fucking good I buried my tongue in her as deep as I could. She told me I was such a good little pussy and for me to make her cum in my mouth. I was eating her hot pussy and just couldn't get enough of it. I made her hot ass come off the bed seven times as she poured her most delicious cum into my waiting mouth. After the seventh time

she came, she pulled me up to her, wrapped her legs around me, stuck her tongue down my throat and then told me how much she loved my mouth on her pussy.

I was in heaven laying on Rista's hot, beautiful body. She had her legs wrapped around me, kissing me as laying naked with her and suckling on her sweet nips. I suckled on her tits for a while, then she made me get on all fours, got between my legs and started playing with my pussy and asshole. She started out with one finger in my pussy, while at the same time she had two fingers buried in my anus, finger fucking my ass.

My poor brain exploded from all of the sensory input. Cum was pouring out of my pussy. I was in a place I had never been before and I couldn't even talk, all I could do was make animal sex noises. Then she stood up on the bed, made me get on my knees to her pussy and eat her until her cum was running down my face and onto my tits. Sweet, sweet cum.

Rista has now graduated college with a marketing degree and we've been together for about eight months. Rista told Nelly that we had moved in together. After some initial hesitations, she said she understood and wished us good luck. Now that's an understanding person.
